

PERIMETER METAL BLOCKING SYSTEM

EdgeBox RI is an innovative product that is an engineered metal replacement system for roof nailers that is compatible with most commercial roofing systems, decks, and insulation types. Using EdgeBox RI you can replace traditional wood blocking or nailers at the perimeter of a low-slope roof and eliminate any concerns about fastener corrosion in ACQ treated wood. EdgeBox RI will not rot, warp, crack, split, insect damage, or mold.

HEIGHT	WIDTH	MATERIAL
1.25" - 6"	3.5" - 6"	20 ga. Galv. Steel Box
6.25" - 12"		20 ga. Galv. Steel with 20 ga. Spine
12.25" - 16"		20 ga. Galv. Steel with 16 ga. Spine

Easy Installation

- Provided in 12'-0" lengths for quicker installation
- Pre-punched holes to ensure proper attachment to the parapet wall
